EASTERN DISTRICT OF WASHINGTON

NOV 10 2014

SEAN F. McAVOY, CLERK
DEPUTY
SPOKANE, WASHINGTON

I the Plaintiff do decree, by the Power vested in me
by my creator as a sovereign people: Because the Defendants
have treated the Plaintiff as an enemy belligerent, a person, and
as a subject of the defendant, and because the defendant
did hold the plaintiff under statutes that are not founded
on a ratified state constitution, and did deprive the plaintiff
of his inalienable rights, a court of record, common law, and
proper jurisdiction. The Defendants shall be held under dual
law including the ~~the~~ laws under the non-ratified state
constitution. The Defendants did carry out these illegal and
unjust actions knowingly and willingly as reflected by the
court records, after being notified of their wrongdoing.

This shall be the wishes of the sovereign Plaintiff.
